# Fund Window

## It's easy to access additional fund choices

In addition to the funds selected by your plan sponsor, your plan sponsor has chosen to make Nationwide Financial's Fund Window available to you. This Fund Window allows you access to hundreds of mutual funds with no additional trading fees.

*Please note that the investment options offered through Nationwide's Fund Window have not been individually selected and are not monitored by your Plan Representative. These investment options may require investment expertise and/or professional management advice to prudently manage. In addition, some of these investment options may have higher Nationwide asset fees than the investment options selected by your Plan Representative. Nationwide does not make recommendations or give investment advice. Nationwide does not monitor the funds offered through Fund Window.*

Convenient and easy to use, Fund Window gives you:

- One comprehensive statement that includes funds selected through Fund Window
- A user-friendly Web site to access and direct investments
- No additional paperwork
- No trading fees
